

Set Thursday Evenings Aside for Career Renewal

Learn the “8 Steps to a New Job”

The Sts. Simon & Jude Career Renewal Ministry supports all unemployed in finding new employment while offering guidance that helps them see this transition as an opportunity for spiritual renewal. As part of that mission, the Career Renewal Ministry is hosting job workshops on Thursdays to assist the unemployed and underemployed in finding new work.

The 1st Thursday of the Month is a Networking Meeting with a Guest Speaker – The first Thursday of the month will feature a keynote speaker focusing on some aspect of job search. In addition, a “networking mixer” will occur, allowing attendees to enhance their networking skills and make contacts to shorten their search process.

Other Thursdays Are Job Search Instruction Classes –You’ll learn the “8 Steps to a New Job” process in classes offered on all the other Thursdays of the month. Workshops each evening will take you through two of the “8 Steps” process. The program is designed for job seekers to come back each Thursday in order to master all 8 steps of the program.

Date: Thursdays, at 7:00pm (with the exception of April 9 & May 21)
