

# Summer Reading Program at SSJ Library

The library will be open Monday through Thursday from 7:30 a.m. until 12:30 p.m. during the four weeks that summer school is in session, June 22 – July 16 (closed Fridays and on Monday, July 6). If your student is enrolled in summer school, a Family Library Pass is *included* in the tuition fees. If your children are not attending summer school, you may purchase a family library pass for \$35. This entitles everyone in the family to check out books before school closes in June. During the four-week summer session, they may take STAR reading quizzes and check out additional books. At the end of summer school, students can check out books for the remainder of the summer and take quizzes as soon as school starts. Points earned on STAR reading quizzes taken during the summer session will be divided up as best we can over the four quarters for the next school year.
